

Assisting Acquirers – International Deal Making Guide – IR Global

Adriano Chaves
Corporate/M&A

IR Global has just released the latest edition of the “International Deal Making Guide,” covering the topic “Assisting Acquirers.” Authors of 20 different jurisdictions across the world bring key considerations when assessing a target company for acquisition, including the due diligence process and key sales contract clauses.

Our Corporate/M&A partner [Adriano Chaves](#) has contributed with the Brazil chapter of the publication. Click [here](#) for the full article.
