

Cross-border Investment in Brazil

CGM Advogados and BRG – Berkeley Research Group, in partnership with Décideurs Magazine, promoted the seminar “Cross-border Investment in Brazil: Updates on the Business, Legal and Compliance Environments and on the M&A Market” for an audience of French companies at ‘Hôtel Barrière Le Fouquet’s Paris’ in March, 6 2018.

At the event, our partners [Adriano Chaves](#) and [Patricia Barboza](#) spoke about the status of the economy and the political scenario; the importance of compliance & Due Diligence and about new laws and bills of law that can affect french business.

They also spoke about how the “Car Wash Operation” changed the business scenario from the compliance perspective.

Participants were able to raise questions and exchange information with the speakers and other participants as well.
